- **Languages:** HTML5, CSS3, JavaScript, TypeScript
- **Frameworks & Libraries:** React, Tailwind CSS, Chakra UI
- **Web Development:** Responsive Web Design, UI/UX Design Principles, Cross-Browser Compatibility
- **Tools:** Git/GitHub, API Integration
- **Soft Skills:** Problem Solving, Debugging, Strong Communication and Collaboration Skills

---

WORK EXPERIENCE

Front-End Developer Intern
ACE EMEDED NIG LTD, July 2024 – Present

- Currently working on developing user interfaces for web applications.
- Gaining hands-on experience with front-end technologies.
- Participating in code reviews and adopting best practices.
- Contributing to website performance optimization and responsiveness.

Junior Front-End Software Engineer
ParallelScore International, June 2023 – November 2023

- Developed responsive web applications in collaboration with cross-functional teams.
- Implemented pixel-perfect UI/UX designs using HTML5, CSS3, and JavaScript.
- Enhanced website performance through code optimization and best practices adherence.
- Conducted code reviews and mentored junior developers.
- Integrated third-party APIs to extend website functionality.
- Managed version control using Git/GitHub.
- Worked closely with designers and back-end developers for seamless data integration.

Front-End Developer Intern
ParallelScore International, 2022 – 2023

- Assisted in developing user interfaces for web applications.
- Gained hands-on experience with front-end technologies.
- Participated in code reviews and adopted best practices.
- Contributed to website performance optimization and responsiveness.

PROJECTS

- **Curatelearn:** Collaborating with the team to enhance user-friendliness. Fixed a bug with the drawer so it closes when clicking outside after creating or editing a chapter.
- **Skyeyez:** Assisted in implementing new changes from Figma designs on the landing page using TypeScript and Tailwind CSS.
- **Sonalysis Dashboard:** Analytical dashboard for sports analytics built with React and Chakra UI.
- **Cloak:** Infrastructure-as-a-service solution developed with Chakra UI and React (TypeScript).
- **Talentsphere:** Recruitment platform utilizing Chakra UI, offering tech talent opportunities to upskill.

EDUCATION

BSc - Computer Science
National Open University of Nigeria, 2023
